

A global provider of coatings

Jotun is one of the world's leading manufacturers of paints, coatings and powder coatings.

We have 71 companies and 36 production facilities on all continents, and are represented in more than 90 countries with our network of agents, branch offices, distributors and sales offices around the world.

Our operations cover development, production, marketing, R&D and sales of paints and coatings to protect and decorate surfaces in residential, shipping and industrial markets.

UNIFORM STANDARD ACROSS THE GLOBE

- Easy to exchange trained technical personnel across national borders and multi-national projects.
- Compulsory training for all technical and sales personnel in marine and protective segments. Most of our coating advisors and technical personnel have FROSIO and/or NACE certification.
- Same competence in maintaining company standard procedures globally.

Jotun GreenSteps

FOR A MORE COLOURFUL WORLD, WE ALL NEED TO BE A LITTLE GREENER

Jotun recognises the responsibility it has to the environment and has established its own GreenSteps programme.

Through the GreenSteps programme we address market demand for more sustainable coatings solutions.

Jotun Marine Coatings and Jotun Protective Coatings offices worldwide

Legal Jotun entities worldwide are listed. For details of Branch offices and Jotun representation in countries not listed, please visit jotun.com

Designed and produced by The Yellow Bulb LTD, Dubai, United Arab Emirates. www.theyellowbulb.com Warecode: 8MM0538074 STEELMASTER 1200WF

Steelmaster | 1200 WF

Reliable and efficient

Protective Coatings

Thin Film Passive
Fire Protection

A perfect mix of reliability and efficiency

Steelmaster 1200WF has been fire tested, approved and certified to leading global test standards. It is the most efficient thin film waterborne intumescent coating for 120 minutes fire protection available worldwide.

As a part of Jotun's Steelmaster passive fire protection range you can be assured of consistent high quality products supplied globally.

Areas of application

- Airports • Hotels • School Buildings • Train Stations
- Stadia • Shopping Malls • And many more

Environment friendly and packed with benefits

- Low thickness required
- Quicker project completion
- Increased productivity
- Low environmental impact
- HAPS Free
- Low VOC
- Safe for multiple trades

Innovation that saves on many levels

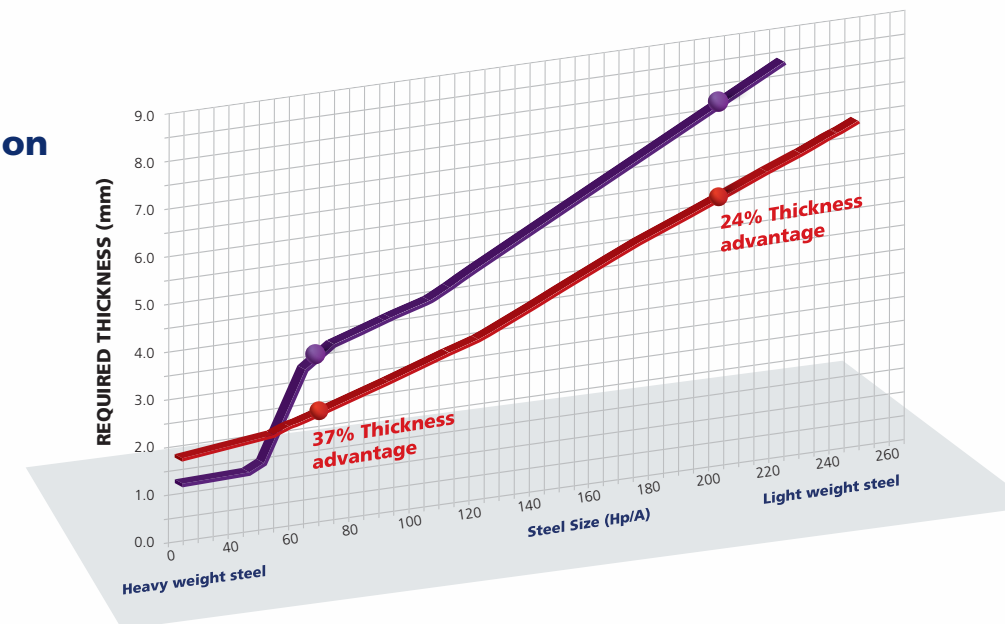

Steelmaster 1200WF is designed for performance and minimum environmental impact. Less product is required to coat structural steel for 120 minutes fire protection and it is easy to apply promoting greater efficiency during application.

Complying with international 'green' standards, Steelmaster 1200WF contains low VOC (volatile organic compounds) and is free of hazardous air polluting substances thereby maintaining safe air quality.

Steelmaster 1200WF is compatible with a range of Jotun primers and topcoats to suit your project's specification.

120 minute fire protection of Rectangular Hollow Sections @ 520°C

- Steelmaster | 1200 WF
- Leading Global Competitor

Protection with quality assurance

Steelmaster 1200WF is quality guaranteed by Exova Warringtonfire's globally independent third party certification scheme that assures performance, quality, reliability and traceability of fire protection products. They are recognised by regulatory authorities worldwide as an internationally respected mark of fire safety.

Jotun is a member of Association for Specialist Fire Protection (ASFP), which represents and supports the activity of the fire industry in relation to all forms of 'built in' fire protection.

We are also proud to be part of a member of the U.S. Green Building Council (USGBC), a nonprofit organization committed to a prosperous and sustainable future.
